CAREER OBJECTIVE

Motivated Mechanical Engineering student seeking an opportunity to apply my skills in CAD design, product development, manufacturing, and mechanical engineering. Eager to contribute to innovative projects while developing practical knowledge and professional expertise.

ACADEMIC QUALIFICATION

Course	Name of the Institutions	Board/ University	Completion	CGPA
BE-MECH	Kangayam Institute of Technology,Kangayam	Anna University	Pursuing	CGPA: 7.84 (up to 6th semester)
SSLC	St Mary's Higher Secondary School , Pothakalanvillai	State Board	2021	All Pass
HSC	St Mary's Higher Secondary School , Pothakalanvillai	State Board	2023	67%

TECHNICAL SKILLS

- CAD Modeling and Drafting
- 2D & 3D Design using SolidWorks, AutoCAD, and CATIA
- MS Word & PowerPoint
- Auto Desk Fusion

AI Tools

ChatGPT, Claude, Gemini, Perplexity, Gamma AI — Technical Research, Documentation, Ideation, Data Analysis & PPT Development.

Practical Mechanical Knowledge

Mechanical Design, CAD Modelling, Engineering Drawing, GD&T, Manufacturing Processes, Machining, , Product Assembly, Quality Inspection, Measurement Tools, Reverse Engineering, and Production Processes.

INTERNSHIPS & TRAINING

- **SALZER Electronics Private Limited – 15 Days (*September 2025*)**
Gained practical exposure to electronic switch components, manufacturing processes, assembly operations, and quality inspection.
- **BOATLOAD MINDS Pvt. Ltd. – 2 Months (*February 2026 – March 2026*)**
Worked with engineering teams on product assembly, design improvements, and process optimization while gaining hands-on experience in mechanical design and assembly.
- **SRIMUKHA PRECISION TECHNOLOGIES Pvt. Ltd. – 1 Month (*June 2026 – July 2026*)**
Gained hands-on exposure to precision manufacturing, machining processes, quality inspection, measurement techniques, and industrial production practices.

AREA OF INTEREST

Mechanical Design, CAD Modelling, Engineering Drawing, GD&T, Manufacturing Processes, Machining, CNC Operations, Product Assembly, Quality Inspection, Measurement Tools, Reverse Engineering, and Production Processes.

PROJECTS & DESIGN INITIATIVES

1. **MSME Hackathon – AI-Based Humanoid Robot Design & Fabrication**
 - **Role:** Mechanical Design Team Lead
 - Led the mechanical design of a low-cost humanoid robot, contributing to conceptual development, CAD modeling, structural design, and fabrication planning in collaboration with the AI and development teams.
2. **Final Year Project – QDD-Based Four-Legged Robot**
 - **Role:** Mechanical Design & Development
 - Designing and developing a four-legged quadruped robot using **Quasi-Direct Drive (QDD)** actuators, focusing on mechanical structure, CAD modeling, leg mechanism, and fabrication.

CO-CURRICULAR ACTIVITIES

- Industrial visit to Mettur Thermal PowerPlant (24 March 2025)
- Industrial visit to DMW CNC SOLUTIONS (19 April 2026)
- Participated in a Workshop on Industrial Design Engineering organized by Pumo Technovation (17 May 2026)
- Participated in CAD Modeling event at Kangeyam Institute of Technology (24 April 2025)

ACHEIVEMENTS

- As VICE PRESIDENT of the ZENFIT CLUB in KIT, effectively coordinating activities, fostering collaboration among members, and demonstrating strong organizational and leadership abilities.
- 2nd Place , Zonal level Anna University Volleyball Tournament-2025 Represented Kangeyam Institute of Technology and showcased teamwork and sportsmanship
- Represented Tirupur District in State Level CM Trophy Volleyball Tournament –2025

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge.
